Employees of Privett Montessori may not make reference to any child, parent or colleague connected to the Nursery on any networking site. Photographs taken at nursery or during off-site visits should not be published by staff on any networking site. Staff should not encourage parents as friends on networking sites.

Any member of staff found to be posting remarks, comments or photos with reference to Nursery may face disciplinary action in line with disciplinary procedure. A member of staff who makes any communication or posts any content that could cause damage to the reputation of the Nursery, children, parents or other staff members, will be dismissed.
