

Privett Montessori Nursery School

8.8 Procedure for Severe Weather

If the weather is severe enough for the Nursery to close, the decision will be made by the Head as early as possible.

A decision to close will not be made lightly, but must incorporate consideration of the safety of all children and adults travelling to the nursery.

In case of closure, due to severe weather, we will send an email to all parents by 8.30 on the morning of the closure.

Severe weather letters are given to parents at the beginning of the winter and /or very cold weather conditions.

In the event of severe weather and before leaving home, parents are advised to check that the Nursery is open by

➔ 'phoning the Nursery

➔ checking their emails

or if still in doubt by

➔ 'phoning the Head's mobile

The Head will inform Ofsted by email of any closures due to severe weather.
